## CrazyGames

CrazyGames is a no-cost browser gaming platform launched in 2014 by Raf Mertens. Since then the platform has grown to include more than 15 million monthly users and a global team of 16 full-time employees.

Our mission is simple - to develop a gaming platform in the browser that is seamless for players all over the world and rewards developers small and large. Visit our corporate website to learn more about CrazyGames.

Explore our open positions, or take a look at our game developer platform if you're interested making your game.
