

Correspondence between S-V and Prime Minister Wake

Skalmankuk42 - Swedish MP for the Socialist Left Party

Wake – Swedish MP for the Social Democrats and Swedish Prime Minister

Wake

Can you keep something between us?

Off-the-record kind of thing

Skalmankuk42 – Today at 5:42 PM

Yes.

Wake - Today at 5:42 PM

Promise?

Skalmankuk42 - Today at 5:42 PM

Pinkie-promise? [roughly]

Wake - Today at 5:42 PM

So that not every person in S-V [Swedish Socialist Left Party] are aware of my literal words

is there someone or some people within S-V who would.. be open to... autocracy?

as a final goal

Skalmankuk42 - Today at 5:42 PM

May I ask why you ask this?

Wake - Today at 5:43 PM

Because I already know who will be in the next government.

Skalmankuk42 - Today at 5:43 PM

And who is that?

Wake - Today at 5:43 PM

S [Social Democrats]+V [newly started Left Party – not to be confused with S-V]+SD [Sweden Democrats]

Passive support from NFP [Nordic People's Party], KLP [Classical Liberal Party], among others.

[19:02:16] Gottfrid Nilsson: Skalmankuk42 - Today at 5:44 PM

So the deal is done from the start?

Wake - Today at 5:44 PM

Well

it's like this

and this could only be the beginning

depending on the potential of the labour power I can find

Skalmankuk42 - Today at 5:45 PM

Is the sir serious?

Wake - Today at 5:45 PM

Do you think it is some coincidence that I control a reform mEU-campaign with 5 other countries' Prime Ministers + the fact that Sabas was fired to make Asuros [leader of SD, Swedish vice PM] head mod?

just to name a few examples

Skalmankuk42 - Today at 5:45 PM

So this is a tactic to implement autocracy?

Wake - Today at 5:46 PM

perhaps not, more of a

world government, approximately

Skalmankuk42 - Today at 5:46 PM

Okay, what do I win in this?

Wake - Today at 5:47 PM

Influence, political, high ranking places depending on your contribution

Skalmankuk42 - Today at 5:47 PM

For example?

Wake - Today at 5:47 PM

In exchange for loyalty

motions passed, propositions – perhaps on EU/global scale even

Skalmankuk42 - Today at 5:47 PM

And how is loyalty measured?

Wake - Today at 5:48 PM

activity and how much you agree with me

Skalmankuk42 - Today at 5:49 PM

Okay, does this involve reporting information from S-V to you?

Wake - Today at 5:49 PM

I became Prime Minister and I was not even on the ballot for S
do you even doubt what I can do?

Skalmankuk42 - Today at 5:50 PM

Again, are you serious?

Wake - Today at 5:50 PM

Yes

and no, not necessarily – in worst cases yes/sometimes

Skalmankuk42 - Today at 5:50 PM

Who else are a part of this

Wake - Today at 5:50 PM

we don't see S-V as a big threat in that way

KLP, NFP, S, V perhaps SD

Skalmankuk42 - Today at 5:51 PM

Okay, can you message me if you want something else

Okej, du kan skicka meddelande om du vill något mer

Wake - Today at 5:56 PM

i am wondering if you as a person are interested in joining

perhaps recruiting comrades to have our backs

Skalmankuk42 - Today at 5:57 PM

Yes.

I am definitely interested.

Wake - Today at 6:02 PM

Good.

do you think anyone else in S-V is?

Skalmankuk42 - Today at 6:03 PM

I'm fairly certain nobody else is. They would have revealed everything immediately.

Jag är ganska säker på att ingen annan är det. De hade avslöjat allt direkt.

Wake - Today at 6:03 PM

true

you could be our... sleeper agent.

double agent.

Skalmankuk42 - Today at 6:04 PM

I understand.

Wake - Today at 6:04 PM

for S-V and this movement

right now I have all parties with me except for M [Moderate Party], S-V and some unimportant ones, like BP [paraphrasing; Bourgeois Party]

Skalmankuk42

Is it everyone in the other parties?

Wake - Today at 6:05 PM

The heaviest and most active players in them.

everyone who is on a need-to-know basis about how they control their parties by will.

Skalmankuk42 - Today at 6:06 PM

Can I still publish the article about SD? It would have seemed strange if I suddenly didn't give a fuck about it.

Kan jag fortfarande publicera artikeln om SD? Det hade sett konstig tur om jag plötsligt sket i det.

Wake - Today at 6:06 PM

if I can read it first.

Skalmankuk42 - Today at 6:07 PM

It contains no larger issues. The only thing criticizing SD is Reich [Reichsadler - leader for the NFP] and the statistics.

and Haezdorf [actually Harzdorf – KLP member]

On closer consideration, it shouldn't be published

Vid närmare eftertanke skall den nog inte publiceras

Wake - Today at 6:08 PM

oh, so you personally don't criticize SD?

in the future, avoid criticizing S btw

Skalmankuk42 - Today at 6:08 PM

not really, but it probably still shouldn't be published

Inte direkt, men den bör nog ändå inte publiceras

Wake - Today at 6:08 PM

if you are serious about joining my plan.

Skalmankuk42 - Today at 6:08 PM

Will avoid it

Wake - Today at 6:08 PM

you don't have to agree with me on everything

but larger, more important issues, etc.

i am not neoliberal, but I am not communist

sosse [slang for Social Democrat], deal with it

Skalmankuk42 - Today at 6:09 PM

got it.

Wake - Today at 6:09 PM

and we sossar have done a lot for the state of iksdagen [Swedish Model Parliament] this mandate period

that we would have been able to realize

Skalmankuk42 - Today at 6:10 PM

Yes, you nationalized the schools or something like that?

+ expanded (nuclear power, Sweden now entirely self-sufficient) + welfare

Skalmankuk42 - Today at 6:11 PM

So NFP is not part of this plan, by the way, considering what Reich said about SD?

You can have the answer if you wish

Wake - Today at 6:11 PM

nothing in particular

Reich thinks SD is milktoast who don't cooperate with NFP instead

you know their politics

Skalmankuk42 - Today at 6:11 PM

Mm

Yeah

The Sweden Democrats have again and again shown that they lack political fire and passion and that a vote for them is usually pointless. Their inactivity, I see as a symptom of a generally pointless and short-sighted political platform. My hope is of course that the voters become aware of SD's goings on in /r/iksdagen, and that they see that it is NFP who in reality represent Sweden's interests, both at home and internationally.

Here are his responses anyway

By the way, do you have any international members? if I may ask?

Wake - Today at 6:14 PM

yes, but I can't name names right now

very high positions

reminds me of my own position in certain nations

Skalmankuk42 - Today at 6:15 PM

Okay, England I guess?

Butt hanks for the info, going to eat now. If you wonder anything about the others in S-V, just ask.

Men tack för infon, ska käka nu. Undrar du något om de andra i S-V är det bara att fråga

Wake - Today at 6:16 PM

And Germany

Skalmankuk42 - Today at 6:16 PM

Okay. See you

HEIL WAKE by the way.

Wake - Today at 6:16 PM

see you

<https://discord.gg/G8HX2>

Skalmankuk42 - Today at 6:23 PM

Quick warning, Alajv3 [defecting from S, Minister for Democracy] got suspicious about the article, said that I had miscalculated and he took it as a response.

Snabb varning, Alajv3 blev misstänksam om artikeln, sade att jag räknat fel och han tog det som ett svar.

Wake - Today at 6:23 PM

alajv is my puppet

don't worry

Skalmankuk42 - Today at 6:23 PM

Good, does he know everything?

Wake - Today at 6:23 PM

no, really not

bu the looks up to me so strongly

he doesn't dare cross the street without my permission

Skalmankuk42 - Today at 6:24 PM

That was apparent from his comment in the article.

Wake - Today at 6:24 PM

I have a natural talent for creating loyalty, hope and rhetoric in those I speak to who in turn get inspired and follow my command you ought to know; you just signed yourself up on the list

Skalmankuk42 - Today at 6:25 PM

Haha, yes

Wake - Today at 6:25 PM

So

Tell me of S-V

pure curiosity

what is currently happening in the party?

Skalmankuk42 - Today at 6:25 PM

Nothing in particular, we are writing our election manifesto

Wake - Today at 6:26 PM

btw

you in particular I've written to so often and you seem like one of the more sensible within S-V (again, not much of an achievement though)

Skalmankuk42 - Today at 6:26 PM

We got a new member yesterday too, completely innocent

Wake - Today at 6:26 PM

but S-V is for immature university culture communists flr nug [?] to take them seriously

Skalmankuk42 - Today at 6:26 PM

Will have to thank for that

Wake

not everyone, but some

there is a reason why you got asked

S-V is mostly kids but they act with such a skewed (young and naive as it were worldview)

and believe me I also believed I knew best as a 15-16-year-old

Skalmankuk42 - Today at 6:28 PM

Sometimes you get so fucking irritated with them

Wake - Today at 6:28 PM

Perhaps you belong in a more mature alternative

Skalmankuk42 - Today at 6:28 PM

By the way is Quillon [S – Minister for Education and Welfare] in on this?

Wake - Today at 6:28 PM

in all likelihood yes

have not had the time to speak with him

but everyone around him are highly involved lmao

Skalmankuk42 - Today at 6:28 PM

He evidently has a frosty relationship with me though

How will that be solved?

Wake - Today at 6:29 PM

don't take it personally

he doesn't dislike you on a personal level

believe me

Skalmankuk42 - Today at 6:29 PM

Okay

Wake - Today at 6:29 PM

he has nothing against you as a person

maybe not against your politics :p

Skalmankuk42 - Today at 6:30 PM

haha, perhaps

Wake - Today at 6:30 PM

and you are my eyes and ears in S-V

speaking of

give me a status report on the members in S-V

Skalmankuk42 - Today at 6:30 PM

What do you mean?

Wake - Today at 6:30 PM

A summary of them

who are they, age, what do they think of me/S/the government, is anyone odd out? Who can you trust, if at all?

Is someone extra mature

I had great respect for duplodocudus [earlier party leader]

Skalmankuk42 - Today at 6:31 PM

U/withtheproles [S-V Party Leader] is a pretty well-read anarchist, around 20 years old, but with södertörnssyndrom, is around 20 years old. Though completely unfit for this

Wake - Today at 6:32 PM

anarchist yup

literally the opposite of Federal Empire

Skalmankuk42 - Today at 6:33 PM

u/Scifihipster [S-V Vice Secretary], some kind of leninist. Has read some but even he has a way too big "Freedom Complex"

Wake - Today at 6:34 PM

Scifihipster, weird character but has his humour about it, though way too "I know everything" but he is 14

Skalmankuk42 - Today at 6:34 PM

Alweglim [S-V Party Spokesperson] [is] completely harmless, unread revolution-romantic. High School age

Wake - Today at 6:34 PM

got it

Skalmankuk42 - Today at 6:34 PM

Didn't know Scifi's age

Wake - Today at 6:34 PM

Alweglim, possible to brainwash to be our follower possibly?

and a report on yourself?

ideologically, how far are you from Social Democracy actually

think 70's-80's Social Democracy

when the S still was.

Skalmankuk42 - Today at 6:35 PM

Alweglim, no he is way too good of a friend with the others in the [S-V leadership]

Wake - Today at 6:35 PM

Got it

you have done well so far

Skalmankuk42 - Today at 6:36 PM

Sympathise a lot with Palme, and am not really an anarchist

Wake - Today at 6:36 PM

Then you should be a sosse, for fuck's sake

Just join models

Palme is the reason I am even in politics

I have removed his speech about democracy though, because DAE ModelWorldEmpire, is just pretend

Skalmankuk42 - Today at 6:37 PM

Can receive an invitation to join models but now I still need to be in S-V to report

Kan ta emot en inbjudan till models men jag behöver ju fortfarande vara med i S-V för att rapportera

Wake - Today at 6:37 PM

True

switch to Models after the election then

Skalmankuk42 - Today at 6:38 PM

Will probably do that, or jump into V if they are a puppet party

Looks less suspicious that way

Wake - Today at 6:38 PM

V will be controlled by, well

I'll let you guess.

Skalmankuk42 - Today at 6:38 PM

Alajv3?

Wake - Today at 6:38 PM

on paper

Skalmankuk42 - Today at 6:39 PM

But really you?

Wake - Today at 6:39 PM

your words, not my words(edited)

Skalmankuk42 - Today at 6:39 PM

I understand.

By the way, forgot one in the leadership. NazgulXXI [S-V Party Spokesperson]

Wake - Today at 6:40 PM

Quillon will be Prime Minister

I will have the post of Defence Minister

Rule from the shadows

Quillon handles day-to-day and national things

i work abroad to secure a federal support for a imperium controlled by us specifically.

Skalmankuk42 - Today at 6:40 PM

Sounds good.

Nazgul is also unreliable, too good of a friend with Scifi

Wake - Today at 6:41 PM

got it

new goal: if new S-V members come, analyze them, perhaps get them here – until the election switch then

meanwhile – do you have contacts in other parties you think you can trust enough to talk to?

want their names before I speak to anyone

Skalmankuk42 - Today at 6:42 PM

No, no contacts

Wake - Today at 6:43 PM

oki

Skalmankuk42 - Today at 6:44 PM

But I guess everyone in NWO phase two is ok?

Wake - Today at 6:44 PM

yes

they are part of the “World Government”-project and back us

NWO phase 1 is for those who want to make mEU better

Skalmankuk42 - Today at 6:44 PM

Okay

By the way, have talked a bit to the FI [Feminist Initiative] leader, so have some info about them too.

Wake - Today at 6:48 PM

spill the beans

Skalmankuk42 - Today at 6:48 PM

Seems very harmless, no real ideology.

Wake - Today at 6:48 PM

ah

so really more "for fun/trigger"?

så egentligen mer "for fun/trigger"?

fun imo

Skalmankuk42 - Today at 6:48 PM

Exactly

Wake - Today at 6:48 PM

some of that is needed

Skalmankuk42 - Today at 6:49 PM

Wake - Today at 6:50 PM

yeah, so we don't want them

Skalmankuk42 - Today at 6:50 PM

exactly

Wake - Today at 6:51 PM

get contacts outside of your party

talk around with people

you seem good at analysing people

i need people who specialize in things in NWO

You can be like part of Intelligence Services

Du kan vara typ del av Intelligence Services

“NWO internal chat”

Wake: The empire logo applies here
and in stage one, or just NWO it's the Galactic-republic logo
Lol

HARZDORF: Nice

cheezefish: moreover
your council should be called
"wakeboard"

Wake:
LOL
So fucking good
then we go
full capitalism mode
and creates battledroids to use as our army
Or yeah, we should actually clone them but

cheezefish:
yes please
a little gun-boat diplomacy has never hurt anyone
(Links to picture of wakeboard)

Wake:
Aggressive negotiations
if KLP makes sure S (his party) keeps the government position forever you'll always be in my council.
That is if you make sure to keep control over KLP

cheezefish:

me right now

(picture of star wars character on wakeboard)

of course your highness

Wake:

Good, good

HARZDORF:

So this is what you felt like at the national Audits office?

Wake:

hahhahahahahaha

(laughing in swedish)

Wake:

Welcome Riiga :)

Riiga:

Hi Hi

cheezefish:

Hi ouiiga

Wake:

Welcome, Reich

Reichsadler:

o/

(this insinuates hailing)

Wake:

who is the party leader of KLP

Riiga:

cheezfish

Wake:

Fex was only here for banter, he wasn't trying to rule the world seriously.

cheezefish:

Lol that you didn't know the party leader of KLP

Wake:

fuck it

you libertarians all look the same anyways

cheezefish:

#imprinted

(i believe this insinuates unfollowed)

criplingaddiction:

Hi

Wake:

I'm adding specific members in specific parties to this chat

could be needed to only reach NWO-sympathizers for strategy talk

(NWO means NewWorldOrder)

criplingaddiction:

Whats the wakeboard council?

Wake:

the top in governance

criplingaddiction:

aha

Wake:

your place there is earned through doing a good job

did Reich tell you a lot about this or?

criplingaddiction:

Yup

but I'm wondering about where in the project we're at right now?

Wake:

Relatively early.

Sweden is basically under control at least

criplingaddiction:

(thumbs up)

Wake:

Brussels in the near future

(links to the jedi temple march in which Anakin Skywalker kills children)

Should we talk to Hugsim to? Gotta catch all of the presidents of parliament.

criplingaddiction:

Yes, i think we should.

HARZDORF

well

Then we'll have almost all of them?

Feels like we're spreading to thin, kind of

Wake:

Thin?

Who do you recommend that we talk to?

Riiga:

Well not M.

Wake:

Nope

M are too moralistic about democracy

remember they threatened to leave just because of me mentioning the the acquisition of nuclear weapons. Because "THATS NOT REALISTIC"

Try to tell me that nuclear weapons don't exist in the modern world.

Any other suggestions?

Don't know if I can stand the S-V people

I mean they do like autocracy, at least some of them.

What if Sweden becomes like Russia in the model world?

shunned and somewhat of the "bad guys" for creating a dictatorship.

Our foreign affairs are looking quite nice though

Right now we have good relations with all but the Netherlands

HARZDORF:

I agree S-V isn't needed

Can we split M?

Do we have SD with us btw?

Wake:

SD are set on the road

splitting M would be excellent

KLP's ostracism of modelM should apply great psychological pressure.

HARZDORF:

Aren't SD really inactive?

cripplingaddiction:

Is there anyone in M who could be trusted to support us?

Wake

Lol no way

Everyone in M hates my guts, for good reason though

SD are inactive but an ally

they get lots of seats in the Iksdag and they are left wing politically, which fits for modelS partners.

Moreover me and Asuros are already used to working together

(links to video of Star Wars scene)

Wake:

(links to the Star Wars scene "the emperor arrives")

Parts of the modelEU will probably be "democratic separatists" Imao

our version of NATO-Russia
