

Privacy Policy

Information we collect

As free tool apps, we guarantee that we do not collect personal information (such as e-mail address, phone number, credit card number, fax, SSN and so on). Also, we do never collect your WIFI name or password.

We may collect non-personal identification, such as device-specific information, including your operating system version, system language, and IMEI number. All of these are for serving you better.

How we use information we collect

Personal information - Since we do not collect Personal Information, we may not use your personal information in any way.

Non-Personal Information - We may use your Non-Personal Information to personalize user experience, or to help improve our products.

Information security

We are very concerned about safeguarding the confidentiality of your information. We do not collect Personal Information, and we employ administrative, physical and electronic measures designed to protect your Non-Personal Information from unauthorized access and use. Please be aware that no security measures that we take to protect your information are absolutely guaranteed to avoid unauthorized access or use of your Non-Personal Information which is impenetrable.

Permissions used:

- Permission **android.permission.ACCESS_WIFI_STATE**: is needed for accessing ConnectivityManager (mainly for monitoring network connections in general), while **android.permission.ACCESS_WIFI_STATE** grants access to WifiManager (for managing all aspects of Wi-Fi connectivity in particular).
- Permission **android.permission.WRITE_EXTERNAL_STORAGE** : we allows to write to external storage.
- Permission **android.permission.ACCESS_NETWORK_STATE** : we allows applications to access information about networks.
- We never publicly disclose any personal or sensitive user data related to financial or payment activities or any government identification numbers, photos and contacts.

Changes

Our Privacy Policy may change from time to time. We will post any Privacy Policy changes on this page. We will not make any material retroactive changes to this Privacy Policy, including for changes involving the use of your Personal User Information, without your affirmative consent.
