'Washoku' Home Cooked Food

-Konichiwa! こんにちは -

Welcome to restaurant Himawari. We serve Japanese home cooked food, also known as 'Washoku,' or written in kanji as '和食,' which literally means a harmony of food. Washoku is a culmination of centuries of cooking practices in Japan. The dishes are plain yet sophisticated, rich in a variety of salty, sweet, sour, slightly bitter, and umami flavors.

In 2013, Washoku was designated a UNESCO Intangible Cultural Heritage.

We invite you to explore Washoku's charm and appeal. We sincerely hope that you'll be able to share many happy moments with your family and loved ones at Himawari.
