

IRON FIST

By

Jack Griffin

Predatory gangsters,
Politicians and corporations,
Cold concrete jungle,
Same old situation

Engulfed in rage,
Needle buried in red,
Gladiator school,
Wrong move and you're dead

Cowards intoxicated by power,
Rich man wars,
Pawns expendable,
Body count soars,
Death machines,
Slaughter and roar,
A delicate balance,
Misery and gore

Sadistic megalomaniacs,
Pulling off wings,
Omnipotent delusions,
Cogs on a string

Systemic attacks,
Prey on the weak,
Rise and fight back,
Use your freedom to speak

Purveyors of propaganda,
It's a New World Odor,
Big brother is watching,
Keep an eye over your shoulder

Power corrupts,
Totalitarian obsession,
Cohesion corrodes,
Powder-keg of aggression

Revolution is NOW,
Rebel and resist,
An Orwellian boot,
Requires an - IRON FIST!
