Serostim is produced by Serono and is one of the top FDA approved made in the USA pharmacy grade human growth hormones available on the market. It's the only hgh fully approved by FDA for treatment of HIV and AIDS. This high-quality version of the human growth hormone powder in its freeze-dried format can have an amazing effect on the human body.

My friend pays \$495 through the pharmacy since he has a script. It is a very fair price for the black market. I have seen people pay over a grand for it. You are not being ripped off.
