Dear Sir,

I am truly thankful to you for the scholarship of Rs. 1Lac. With the help of your generous contribution, I will now be able to pursue my MBBS at Delhi Medical College without any hassles.

At present, I am studying in the third year of MBBS. Due to some personal reasons, I was facing difficulty in arranging the fees for my course. But because of your help, I will be comfortably continuing my studies. By the end of July, 2022, I will be finishing with my course and then I plan to take up a government job to use my knowledge in treating patients and also have practical exposure to learning. It was always my dream to become a doctor and serve my country on the medical front.

Without your kind contribution, it would not have been possible for me to make my dream a reality. I once again thank you for donating towards Nari Shiksha Yojna and investing in my future. I will always be grateful to you.

Thanking you once again.

Sincerely,
Seema Yadav
