MESSAGE FROM THE RECTOR

I would like to take this opportunity to extend a sincere welcome to the participants, coaches, supporters and officials of the 2023 Hibbert Shield Hockey Festival. We are extremely privileged to be hosting a festival of this calibre at Grey High School.

We extend our gratitude to the sponsors and organizers of this esteemed event. Many hours of planning and organizing are required to ensure the success of this event. A sincere thank you to all concerned for their commitment to ensuring the smooth running of the Festival.

Over the next few days, many of the country's top performing schools will do battle on the hallowed Rectory Astro. We encourage all teams to play hard but always play within the Spirit of Hibbert Shield Hockey. Festivals of this nature are critical to the development and enhancement of the sport and serve as an extra platform to grow, nurture and develop talent.

Special thanks to the coaches and management for their commitment, dedication and for sacrificing time away from their families. To the parents who have travelled to support your boys, it is greatly appreciated. Many thanks to the officials for their valued expertise, time and service in ensuring that our event is both enjoyable and played in the right spirit.

On behalf of the Grey Family we want to wish all the teams the very best for what promises to be an exciting few days of hockey and, to all who have travelled, we wish you a safe journey home.
