Caution: what could be considered spoilers ahead

What will happen to Freeman's crew now that she has been arrested for what appears to be the detonation of a bomb on the planet that is home to the Pakled? They have a lot to look forward to, including Boimler and Mariner going rogue, a close encounter with cosmic rocks that manifest their worst nightmares (including red-headed clowns with razorblade arms), and the USS Cerritos docking at a very familiar space station: Deep Space Nine!
