3, 2, 1

当你说那是光 定义了光芒

When you said that was light, giving meaning to light

行走于水面上 让波浪荡漾

Walking on water, causing waves to ripple

我们有创造世界的机会 让万物敬畏

We have the chance to create the world, to be revered by all

Hold up!

当一切混沌天空破晓 Yeah

When all around was primeval chaos, dawn breaks across the sky

容我开拓这洪荒的美好

Allow me to open up the good within this chaos

彷彿回到宇宙起源

As if returning to the birth of the universe

驯服了黑暗 和大地比赛 灌溉出了爱

The darkness was tamed, competing with the earth, love flowed forth from the water we gave
Go, go, go, go (Go)

生命那么厉害 *Whoa, whoa, whoa, whoa*

Life is incredible

Ooh 经过飞翔和不断地寻找

After flying and endlessly searching

文明终在第七天落脚 *Yeah*

Civilization has finally touched down on the seventh day

The future comes swirling all at once

Dreams break open like a stone, like the sky

被爱筛选的我踩着豪迈的 *Moonwalk*

I, who has been chosen by love, heroically tread *Moonwalk*

当经典都记载下 不知名的伟大

When the classics have all been documented, greatness unknown

你来到天选之城而风靡 *Moonwalk*

You arrive at the chosen city in the sky, flourishing* *Moonwalk*

[*风靡 = "flourishing"; from the image of rapid winds sweeping through and toppling over grass/trees; describing something that becomes popular or fashionable extremely rapidly among a huge number of people like a gust of wind that knocks over everything in its path; I used "flourishing" here as it brings in a bit of that nature imagery that the original word has (with the wind and trees) even though the more precise definition is closer to "extremely popular" or "trendy."]

当人们歌颂神话

When people sing in praise of myths

我选择腰弯下

I choose to bend my waist

对刚成形的世界

Towards the newly formed world

跨出第一步的 *Moonwalk*

Taking the first step forward *Moonwalk*

Moonwalkin', moonwalkin'

从制高点延伸到地平

From the highest vantage point extending to the horizon

我的城旁观者勿进

My city, idle spectators do not enter

不议飓风即将来袭

Incomprehensible hurricane will soon strike

我要筑起天选的国度 (Cool)

I will build a nation that's chosen by the heavens (Cool)

只有梦想家才允许骄傲地进入

Only dreamers are allowed to proudly enter

我从来不否认我是先行者信徒 (Come on)

I never deny that I'm a faithful follower of those who forge new paths (Come on)

金字塔顶端一定有更蔚蓝的路 Ah!

At the peak of the golden pyramids, there must be a road that's bluer than the sky Ah!

无须护城河以及城墙 Yeah

No need for moats and city walls Yeah

忧伤自然就被快乐流放 (Drippin')

Sadness naturally has been banished by joy (Dripping')

你的笑必然成为经典

Your smile inevitably will be among the classics

阳光的灿烂 月光的迷幻 应许而存在

The splendor of the sun, the mysterious allure of the moon, promised*, therefore existing

[*应许: this is not the common Chinese word for "promise" but a reference to the Biblical

"Promised Land" i.e. 应许之地.]

Go, go, go, go (Go)

生命那么盛开 Whoa, whoa, whoa, whoa

Life intensely blossoms Whoa, whoa, whoa, whoa

Ooh 持续飞翔和无畏地燃烧

Ooh Ceaselessly flying and fearlessly burning

文明还有一万年美好 Yeah

Civilization still has 10,000 years* of good* Yeah

[*一万年: literally "10,000 years" but more just an expression for a long time; Chinese has an additional unit that means 10,000 (万 - wan); it doesn't stop at "thousand." Ex: 100,000 is 10 wan in Chinese, not 100 thousand.

*美好: adjective or noun; adj to describe something as good - beautiful, wonderful, happy, glorious; or noun referring to the "goodness" itself - fairness, nicety, fineness, etc. I used "good" here because in this phrase, it is meant to encompass all the goodness that humanity and civilization is capable of being.]

经过漫长等待 (Woah)

Following a long endless wait (woah)

世纪终将开展 (Woah)

This century will at last begin (Woah)

多少眼神随着我们自在的 Moonwalk

How many eyes will follow our unrestricted *Moonwalk*

当经典都记载下 不知名的伟大

When the classics have all been documented, greatness unknown

你来到天选之城而风靡 *Moonwalk*

You arrive at the chosen city in the sky, flourishing* *Moonwalk*

当人们歌颂神话

When people sing in praise of myths

我选择腰弯下

I choose to bend my waist

对刚成形的世界

Towards the newly formed world

跨出第一步的 *Moonwalk*

Taking the first step forward *Moonwalk*

时间送往迎来

Time sees off those who depart and welcomes those who arrive

我寂寞故我在

I am lonely because I exist here

直到你前来

Until you arrived

无名的化外

An unnamed territory untouched by civilization

在命运的呼唤下

Under the call of fate

向远方出发

Setting off for a distant land

And we gonna take over the moon

(5, 4, 3, 2, 1) *Moonwalk*

当经典都记载下 不知名的伟大

When the classics have all been documented, greatness unknown

上上下下起起落落

Ups and downs*, rises and falls* (we experience)

[These are all “double words” - a Chinese word with an AB structure can sometimes be duplicated into an AABB structure for a variety of uses. One of which, when it's applied for nouns is to mean “all” of something. For example, 风雨 = “a storm”, so 风风雨雨 = “every storm”; likewise with “ups and downs” (上下) and “rise and fall” (起落).]
