## Character Bio:

**Character Info:**  
 The Guardian Deity of tempest from another world that come to serch for amazing stuff. Because the Power level is so different, normal classes wouldn't be enough to contain his power. And for the fact that once in an alternate timeline he has almost become a terrifying threat to the universe, He fit the role to be classified as a Beast class. Even though his power got significantly downgraded due to the capacity of the grail. He is still a reliable Pseudo servant for his master to rely on.

**Bond Level 1:**  
 Height & Weight: ???  
 Series: Tensei shitara slime datna ken  
 Source: Illustration.  
 Region: Japan  
 Alignment: Chaotic Neutral  
 Gender: Genderless(Classified itself as Male)  
 A pseudo servant that come because pure boredom.

**Bond Level 2:**  
 He is quite a cheerful and happy servant. But was secretly plotting a cunning plan to use the best out of his master. Originally he is just a playful god before being summoned as a pseudo servant. This time it seems like his skill has gain more control over him, thus making him a little bit more... Evil?

**Bond Level 3:**  
 The Holy Grail doesn't interest him even a tinybit. Perhaps it will interest him when he was alive. But now the Ruler of Tempest can do a lot more on his own than the holy grail can. Rumors even say that he can create a greater grail by himself, which he himself admit that it is true.

**Bond Level 4:**  
 [A tip from Azathoth]  
 Due to certain circumstances. He can only use a bit of his skill [Void god Azathoth] and so it result in an aura that emits terrifying aura to his enemies. The enemies will eventually tremble in fears and lost the will to fight.

**Bond Level 5:**  
 [Turn Null:Lost Fragments of the collapsed Nihilility]  
 By the intergretion of his skill [imaginary space] he can harvest the energy coming from the skill infinitely. However he will need to recharge after he use his NP to store the enegy again. This skill during his time. Could destroy the entire Multiverse when the stored enegy is released. Since his sole goal of becoming a servant is to have fun. He just use a fragment of [Turn Null] in this NP.

**Clear "Interlude"**  
 [Manas:Ciel]  
 Rimuru's trusted sidekick, The Ai Ciel. Ciel will constantly give him advice and find countermeasures. Ciel also analyze the situation and will immedietly respond the best way to solve it in absolute victory.
