

"I forglove is no ordinary flower, she was no ordinary woman"

- Frank

### **FOREWORD**

My dearest Mrs. Pound was so fond of Foxgloves that I could think of no better name.

Home to the effortlessly stylish, unshakeably polite and dangerously charismatic, Foxglove exudes charm and an edgy cool that is both Old World and entirely current.

Like the flower for which it was named, Foxglove is both a place to enjoy your poison of choice and a cure for ailments of the heart.

#### COCKTAILS .....

## FOXGLOVE SIGNATURE COCKTAILS

The feeling of home lives in my fondest memories of dear friends. Reminiscing the good old times and appreciating the finer tunes in life, is a collection of cocktails honoring their charming rhythmic souls.

Let's delve into their iconic era and reunite through lyrical flavors, harmonious extracts and nostalgic nuances— May you truly savor the symphony.

## LADY SOUL \$160

vanilla infused tanqueray gin, raspberry, lemon, saline solution, cheesecake foam, raspberry leather lemon zest

It has been said that the powerhouse American Singer had a soft spot for cheesecake, the cocktail imbues the trailblazer's larger-than life stage presence and theatrical voice and her favorite dessert.

## SMOKY & SULTRY \$150

longan infused tanqueray gin, pink peppercorn cordial, smoked soda water

Anita Mui is Hong Kong's legendary icon.
Mui would often escape the chaotic city—
to find zen in Japan. A clean cocktail
imbued with a smoky and sultry, like the
singer's tone, flavor of
smoked lychee-wood and peppercorns.

Subject to 10% service charge and minimum spend during performance

Negroni.

JOHN LEE HOOKER

\$170

toasted marshnallow michter's bourbon, johnnie walker black label, guinness reduction, mr. just crusp enough black, spiced syrup, port wine, Mr. Black Johnnie walke Black label

John Lee Hooker was an American blues singer, songwriter, and guitarist. He would enjoycamping with Frank, singing these songs around a campfire. The cocktail is an ode to those wonderous nights sitting across the campfire in the great outdoors and of course enjoying a bourbon, a scotch and a beer together.

## **BLOODEST SAX SMASH** \$160

h by hine, ancho reves, apricot liquor, coconut, yuzu, apricot shrub

The Bloodest Saxophone are a Tokyo band known for playing jump blues and swing jazz. Frank always had an admiration for them. He believes that their music and fans are a different type of cool, refreshing as he would say, just like the taste of yuzu.
