

INSIDER SECRETS OF IMPORTING EXPORTING CARS

A BEGINNERS GUIDE TO
IMPORTING AND EXPORTING CARS!

NEW 2015 EDITION!

As seen in:

ABSOLUTE FACT: There Has Never Been a Better Time for You to Get Into the Export Car Business then ..Right Now...

Here's why!!

1. The car market in the US is very soft so you can now buy export cars at fantastically low prices. It is a buyers market!
2. The devaluation of the dollar has created "cheap" prices for overseas buyers of export cars. They cannot believe the low prices of US vehicles. They want US export cars!
3. The big demand from overseas buyers are American SUVs and fully loaded pickup trucks which you can now purchase for very low prices because of our economy.

**Here's your opportunity
to take advantage of our weak economy!**

Do you want to export cars for big profits? Then reading this breaking report by a licensed dealer may make you more money than you ever thought possible.

"I Dare You To Use These Exciting Secrets About Exporting And Importing Cars To Make Bundles Of Money-- 100% GUARANTEED!"

Just a few minutes ago I ran these numbers!

I checked the database of Manheim Auctions that I have access to as a dealer. A low mileage 2008 Jeep Commander sold today at auction for \$18,000.

I then checked the Price of the car in Germany

The price 35,000 Euros =

\$43,400!

These are REAL numbers!

A new Jeep Commander off the lot starts at \$28,000. In 1999 the Euro and Dollar were almost equal in value. Today it takes a \$1.24 to buy a Euro!
