

Glarthir's Warning

You rebels! Now I know what Orome meant when he said: "They are disloyal people. They speak loyal words, but they act selfishly!"

You are more concerned about your rep than your loyalty to Glarthir and Orome! When Orome said: "Do not follow me into the tower," and yet you all followed... did he not smite all of you?

Not obeying will make you guilty. Guilty ones must pay with their lives when they do not listen to The Lord of Interstellar Space.

Now listen, you rebels! How long will I need to put up with you? You think it is 'good' and 'righteous' to be too soft and never bring judgement? You rather be liked by others than be loyal to me?

And you even dare to say: "He is Myrus because he is killing."

Well I am killing for a reason! Did not Loki say: "I want to feast on his [Orome's] flesh?" as he was dying?

Now that is the greatest disrespect. It is worse than a draconian to do that. So you must kill Loki and Jdutr for their disrespect!

But you only killed Jdutr, because Loki is 'good' in your eyes. No! She is bad! She must die. After she dies, she will be good to me again.

So stop using your own eyes and following yourself! Follow me! I am your new Interstellar Lord! If you do not, I will commit a great attack on you, my own people, until you are sorry for all your disloyalty.

Even there was a draconian who came and killed loki's alt! Certainly I say this! The dracs are more loyal than my own people! For my own people follow the 'being' popular' and PC route instead of being loyal to Glarthir and Orome and Nook!

Even Turin himself is disloyal to Glarthir! Now you must turn back to Glarthir by:

- 1) Kill Loki's main
- 2) Apologise to Glarthir

If you don't, I will come and commit a great kill on you. I will take the health away from Light and let your enemies stamp all over you (yes I have been given that power)! I will let Das, Dorval, Cobia, Providence, the North and the South fall to Myrus.

You will die by the score and you will regret it. I AM Glarthir the mortal interstellar lord! If you ignore

me, all these things will happen! If you obey me, you will prosper!
