

About Our Shows

“The Perfect Life” is ½ black light and ½ ambient light. In this show Professor Megawatts tries to cure the worlds Happiness problem with money, success, and fame, his human assistant “IZZY” shows him that only faith in Jesus brings true happiness

“The Other Side of Heaven” is a full ambient light show that illustrates what the conversation between God and Jesus must have been like prior to Jesus’ coming. This show deals with parental divorce, drug use, social status, and self-esteem issues.

“Black light Show” This show is full on black light using neon puppets and props that really pop. This show illustrates through song that there is only one way to Heaven, You must be born again, The first time you meet Jesus he will change your life, and then presents the question. Are you going to go His way?

“Good News” This show is a full ambient light show in which Bernie is a special needs child. While other kids are busy making fun of him, and getting into trouble, Bernie manages to show Jesus by his simple love and affection for others in spite of how they treat him. This show illustrates that anyone with a willing heart can be used by God.

“1000 PSI” New for 2015, Kayla is being bullied by 3 girls in her high school because she is new at school and because she is a Christian. Torn between popularity and faith Kayla stands up for her beliefs, in doing so one of the bullies realizes that a relationship with Jesus is what she truly needs, and that He will never leave her.

These are just a few of our shows. We write and produce all the shows we perform. We use pop parody music recognizable to most any age. We are able to cross denominational and ethnic boundaries with a very effective Christ centered message. We always strive to address modern day concerns that face peoples day to day lives.

Let us introduce Ourselves!

Hiz Handz Puppet ministries began in 1995 as an outreach ministry of Southside Baptist Church in Suffolk Va. It was originally named “Roman Road Puppets” by its two founders Ronnie Wyatt and Steve Parker. Steve and Ronnie’s vision was to reach out to others through a missions minded ministry. In 1998 under new leadership of from Mike Umphlett the team embarked on expanding its missions outreach by including a trip to Charleston West Virginia to minister to homeless citizens there. Upon returning, the team was asked to give a report to the Church as to the success of the trip. Ron and Julie Ward (now the Leaders) of Hiz Handz became interested in serving with the team that night during the report back. A few years later in 2001 the team Leadership position became available and was filled by Ron Ward with Julie Ward as the Co-Leader. The team began focusing deeper on Missions by teaming with a soup kitchen/homeless shelter in Dunn NC. Now fourteen years later we are a stand-alone nonprofit mission’s team dedicated to reaching people with the gospel of Jesus Christ using every open door possible. The team is still led by Ron & Julie Ward but now Co-led by Bobby & Lorrie Davis. See the “Missions” section for a detailed list of works that you can become involved in. We are very thankful for your donations, prayers, and support. All donations are tax deductible, receipts are available upon request.

Mission's

In 2008 Hiz Handz partnered with Crosspointe Community Fellowship in Bluefield Virginia. Crosspointe began working with local schools painting and meeting the needs of students. We have teamed up with Crosspointe on several occasions to assist with shoe drives; schools supply drives, and Coats/blanket drives. We have been able to perform salvation based puppet shows in the schools, and at many of their outreach events. In 2010 Crosspointe kicked off its annual Easter Eggstravaganza dropping thousands of plastic candy filled eggs from a helicopter over Graham Park in Bluefield. The gospel message went out to over 3000 people in attendance with many accepting Christ as Savior. Fast forward to 2014, 74,000 eggs drew a crowd of approx. 10,000 people with over 200 salvations. Hiz Handz performed 3 Puppet shows during that festival and provided 9,206 candy filled eggs.

In late 2013 Hiz Handz teamed up with 1040 ministries based in Suffolk Va. To collect and distribute over 700 coats, hats, scarfs, and gloves to residents of Syracuse NY's "neighborhood Church" Pastored by Ronnie Wyatt the same Ronnie Wyatt that helped start this puppet ministry years ago. We also were blessed to assist in providing a passenger van to the church to further aid their ministry. One week before Thanksgiving we traveled to Syracuse and performed 2 shows while in town to distribute the coats. In 2014 we partnered again with "the Neighborhood Church" filling and distributing backpacks filled with survival supplies to the homeless. We performed at the Burmese church while in town and 4 adults and 2 children accepted Christ after the show. God has opened many doors thus far and continues to bless us with more opportunities on the weekly basis.

Hiz Handz performed shows for various churches, organizations and events throughout the (757) in 2014. Our goal locally is to partner with area churches and likeminded ministries assisting them with neighborhood outreaches, spreading the Gospel and making disciples wherever and whenever possible. In 2014 we launched our "back packs for the homeless" campaign here in Tidewater, we collected gloves, scarfs, hand warmers, can openers, utensils, food, bibles and eye glasses filling backpacks for distribution to local homeless people just to let them know that they are not forgotten. More than 75 pack packs have been filled thus far.

There are many partnership opportunities that lay ahead for example we are currently forming partnerships with missionaries in South Dakota, Haiti, Burkina Faso Africa, and Disaster relief teams as well as several local churches. We are continuing our current partnerships with The Neighborhood Church in Syracuse NY as well as several partnerships in western VA & West VA. If you are interested in having us partner with you to reach your community, please contact Ron @ 252-722-2228
